
FAMMEDPAC

Family Medicine's Champion in Washington, D.C.

Thank you for your interest in FamMedPAC.

We all know that health care plays a major role in the nation's economy and directly affects the quality of life in the United States. The future actions of the federal government in areas such as physician reimbursement, family medicine training, and access to health care coverage will also have a significant impact on the financial health of your medical practice.

"FamMedPAC puts family doctors at the table when health care decisions are made."

That's why it's crucial that the interests of family physicians be well represented when public policy is developed. One of the easiest and most effective ways to make your views heard is through a donation to FamMedPAC. Your financial support will help ensure the election of public officials who understand your concerns.

What's in it for you:

- **ensure that your specialty is adequately represented in Washington**
- **receive "insider" information from leading analysts**
- **become more involved in the legislative and political action process**

Your financial contribution will make a difference on key issues facing family physicians. When you support FamMedPAC, you support physician-friendly candidates for federal office.
